

The hostel "Långasjö Vandrarhem STF" is housed in old church stables, a 60 m long red-stained building in beautiful countryside at the centre of the small village of Långasjö.

The hostel is open all year round. A breakfast buffet is available along with a café that is open during the summer. There are bicycles for hire and a playground near the hostel.

Here you can enjoy peace and quiet in a beautiful natural environment. If it is warm, you can take a refreshing dip in Lake Långasjön, which is only 100 m away and there is also a nice walking path around the lake, wild fishing and rich birdlife. Enjoy a relaxing trip into the deep forests of Småland. There are walking trails and cycle paths surrounding Vilhelm Moberg's Emigrant District. 1.5 km to Klasatorpet where the film Emigrants was recorded. The hostel houses an emigrant's museum.

We are at the heart of the Kingdom of Crystal, several glassworks can be found between 15 to 45 km away.

Golf course 10 km.

Nöjesindustrin in Emmaboda, with bowling, go-cart, paintball and more 10 km.
