

RENTAL TERMS

1 # These rental terms apply between Svensk Kulturfilm Konferensteknik AB (below stated as Konferensteknik), and the client renting the equipment (below stated as Client) during the rental period. By rental period is meant the time from the time the equipment is handed out, delivered or installed to the Client, until the equipment has been returned to or picked up by Konferensteknik.

2 # The rental terms apply to both when Konferensteknik provides staff on site and when the Client themselves handles rented equipment.

3 # The rent is paid against invoice with payment terms 30 days net if other terms haven't been negotiated.

4 # The rent does not include staff. If Konferensteknik takes care of transporting the equipment, cost for delivery will be added.

5 # The Client is responsible for damage to or loss of rented equipment throughout the rental period, regardless of the cause of the injury or loss. It requires the Client to keep all leased equipment insured against all risks to the full value of the equipment during the rental period. In case of damage to or loss, of all, or part of the rented equipment, the Client is obliged, without delay, to replace Konferensteknik for the damaged or lost equipment at what it costs to either acquire new or repair it, regardless of any reductions from the insurance company. The Client is obliged to notify Konferensteknik immediately if any damage or loss occurs.

6 # Konferensteknik is responsible for ensuring that the equipment is faultless and functional at the time of delivery or setup. It is the Client's responsibility to check that the equipment is in working order at the beginning of the rental period and without delay notify Konferensteknik if the equipment ceases to work for any reason during the rental period.

7 # Any damage and/or defects to the equipment must be repaired by Konferensteknik and must not be performed by the Client.

8 # The Client is not allowed to lend, pledge, transfer, exchange or sell the equipment. The equipment is not available nor is it rented in the alternative or carried abroad without the written consent of Konferensteknik. Konferensteknik markings must not be removed or covered.

9 # Konferensteknik is not responsible and cannot be made financially liable for failure or cancellation of a conference, meeting or similar caused by failure of the equipment, transport delays, force majeure or other unforeseen circumstances. Konferensteknik is not responsible for damage that the equipment directly or indirectly causes third parties.
