

Welcome to Oslo and the 7th Nordic Course in Emergency Radiology from Monday 13th to Thursday 16th of May 2019!

We are very proud to present an exciting 3.5 days program with international faculty and speakers. The main goal of our course is to supply junior and senior radiologists and technicians with basic and advanced knowledge in emergency imaging.

On behalf of NORDTER

***PRE-COURSE HANDS-ON MAY 12TH 2019
IN COLLABORATION WITH ESER**

PROGRAM

This course will provide the participants with essential knowledge of a broad spectrum of non-trauma emergency radiology. It serves both as an introductory and refresher course. Daily interactive case sessions and session summaries will be an important part of the course.

NORDTER collaborates with the European Society of Emergency Radiology (ESER) who will offer exclusively for course participants a hands-on pre-course workshop on Sunday May 12th at the same venue for an additional course fee, the amount of which will be announced when online registration opens.

Preliminary program and full speaker list will be announced in December 2018 on our website at nordictraumarad.com.

PRELIMINARY FACULTY

Additional speakers will be added

- Susan D. John, UTHealth, McGovern Medical School, Houston, USA
- Kathleen R. Fink, Virginia Mason Medical Center, Seattle, USA
- Jorge Soto, Boston, MA, USA
- Ken F. Linnau, UW Medicine Harborview Radiology, Seattle, USA
- Nupur Verma, Gainesville, Florida, USA
- Alexandra Platon, Genève, Switzerland
- Mari Nummela, Helsinki University Hospital, Finland
- Tiina Lehtimäki, Helsinki University Hospital, Finland
- Giedre Kavaliauskiene, Oslo University Hospital, Norway
- Seppo K. Koskinen, Terveystalo, Finland
- Frank Bensch, Helsinki University Hospital, Finland
- Johannes Godt, Oslo University Hospital
- Eric Dorenberg, Oslo University Hospital, Norway
- Elisabeth v. Brandis, Oslo University Hospital, Norway
- Ylva Haig, Oslo University Hospital, Oslo, Norway
- Lotte Rogg, Oslo University Hospital, Oslo, Norway
