

PRE-COURSE TRAUMA RADIOLOGY WORKSHOP

DATE: Sunday 24th May, 2020 (prior to Nordic Course May 25-28, 2020)

VENUE: HTC Pinta, Tammasaarenkatu 3, 00180 Helsinki, Finland (Main Course venue)

TARGET GROUP: Resident and specialist radiologists interested in acquiring practical experience in trauma imaging interpretation. Limited to 30 places for participants of the 11th Nordic Course in Trauma Radiology.

COURSE FORMAT: Hands-on workshop. Participants will review real trauma cases guided by expert teachers. The sessions will emphasize typical and atypical findings, pearls and pitfalls, as well as address how certain damage patterns produce distinct radiologic findings. Open discussion is encouraged.

Attendees will be required to bring their own laptop computers to be able to review DICOM cases. All further course materials are being provided by NORDTER. Coffee, refreshments and an excellent lunch will be served during the breaks and are included in the registration fee.

PRELIMINARY PROGRAM:

09.30 – 10.30	Session 1: Spinal Trauma incl. BCVI
10.30 – 11.00	<i>Coffee and refreshments</i>
11.00 – 12.00	Session 2: Neurological Trauma
12.00 – 13.00	<i>Lunch</i>
13.00 – 14.00	Session 3: Trauma to the Extremities incl. Pediatric Trauma
14.00 – 14.30	<i>Afternoon coffee and refreshments</i>
14.30 – 15.30	Session 4: Chest and Abdominal Trauma

REGISTRATION: Participation in the 11th Nordic Course in Trauma Radiology 2020 is required. The additional fee for the hands-on workshop is 200 €. Registration and payment are processed together with the registration for the main course. Registration starts in early December on our homepage. *Keep in mind that places are limited, so make sure to register early!*
