

**Nordic Forum for Trauma and Emergency Radiology
presents in co-operation with
Trauma Center Karolinska (TCK)**

Report from

CONSENSUS MEETING

**An Evidenced Based Review & Nordic Recommendations:
1. Clinical Practice and Radiology in Penetrating Trauma
2. CT Protocols & Mass Casualties**

TIME: Friday, October 20, 2017 09.00 – 13.15

PLACE: Nanna Svartz Auditorium, Karolinska University Hospital, Solna

FEE: 300 SEK (incl. coffee)

REGISTRATION and FURTHER INFORMATION: www.nordictraumarad.com

KAROLINSKA
UNIVERSITETSSJUKHUSET

PENETRATING INJURIES

Moderator: Seppo Koskinen

- 09:00-09:15** Introduction: Background of the Consensus meeting
- 09:15-09:35** Penetrating Trauma: To Image or Not to Image?
D. Stein
- 09:35-09:55** When and Where to Image in Vascular Injuries?
Karim Brohi
- 09:55-10:25** How to Image in Penetrating Trauma
Torso Kathirkamanathan Shanmuganathan
Extremities Frank Bensch
- 10:25-10:45** Penetrating Trauma Scene in Stockholm/Nordic Countries:
Review of a 3-year-data from TCK Trauma Registry
Seppo Koskinen

10:45-11:15 Coffee Break

MASS CASUALTIES

Moderator: Hampus Eklöf

- 11:15-11:30** The Role of Radiology in Mass Casualties
Karim Brohi
- 11:30-11:45** The Boston Bombing – Radiologist´s View
Ajay Singh
- 11:45-12:00** Jane Does in Sweden - how to handle the patient-id when
the patient is unknown?
Hampus Eklöf
- 12:00-12:15** Effective Patient-flow in Radiology Department
Mats Beckman

Report: CONSENSUS GUIDELINES

Moderator: Seppo Koskinen

- 12:15-13:00** CT-protocols for Penetrating Trauma
Mass Casualties: How Fast Can We Do a CT? What CT-
protocol(s) to Use?

OPEN DISCUSSION

Moderator: Lennart Adamsson

- 13:00-13:15** **The floor is open for discussion**

SPEAKERS

Deborah M. Stein, M.D., MPH, FACS, FCCM

R Adams Cowley Professor in Shock and Trauma

University of Maryland School of Medicine

Chief of Trauma and Medical Director, Neurotrauma Critical Care

R Adams Cowley Shock Trauma Center, University of Maryland Medical Center

Baltimore, USA

Karim Brohi, Professor, FRCS FRCA

Director, Centre for Trauma Sciences, Queen Mary University of London

Consultant Trauma & Vascular Surgeon, Barts Health NHS Trust

Director, London Major Trauma System, Great Britain

Kathirkamanathan Shanmuganathan, M.D.

Professor of Radiology

Department of Diagnostic Radiology & Nuclear Medicine

University of Maryland School of Medicine

Baltimore, USA

Frank Bensch, M.D., Ph.D.

Senior Consultant,

Department of Radiology, Töölö Trauma Center, Helsinki,

Medical Imaging Center, Helsinki, Finland

Seppo Koskinen, M.D., Ph.D.

Professor of Radiology, Karolinska Institutet

Senior Consultant

Karolinska University Hospital

Huddinge, Sweden

Ajay Singh, M.D.,

Associate Director,

Division of Emergency Radiology,

Department of Radiology, Massachusetts General Hospital,

Boston, USA

Hampus Eklöf, M.D., Ph.D.

CMO Radiology, Unilabs Radiology, Sweden

Mats Beckman, M.D.

Consultant Radiologist

Head of Trauma & Emergency Radiology

Karolinska University Hospital,

Solna, Sweden

Lennart Adamsson, M.D, Ph.D.

Head of Trauma Center

Karolinska University Hospital

Solna, Sweden
