

MIKAEL GODÉE EVE BEUVENS QUARTET

Dynamic and innovative.

Mikael Godée is a well-known Swedish jazz musician appearing in bands like Änglaspel and Corpo. In the musical meeting with Belgian pianist Eve Beuvens, something very special and beautiful occurs. Beuvens belongs to Belgium's most interesting jazz musicians with her intelligent and contemporary way of playing. Along with the charismatic and sensitive musicians Johan Birgenius (drums) and Magnus Bergström (bass), a solid musical foundation is formed.

Mikael Godée (Swe) – Soprano saxophone
Eve Beuvens (Be) – Piano
Johan Birgenius (Swe) – Drums
Magnus Bergström (Swe) – Double bass

"One of the finest European jazz experiences of the moment: the combination of Belgian pianist Eve Beuvens and the Swedish saxophonist Mikael Godée. Two master chefs at work!"
