

PLOTINA FINAL CONFERENCE

ReGendering Science. For an inclusive research environment

OBJECT: Call for proposals for the international conference “ReGendering Science. For an inclusive research environment” (27th-28th January 2020, Bologna, Italy)

Welcome to the International conference “ReGendering Science. For an inclusive research environment” (27th-28th January 2020, Bologna, Italy). The event is organized by the Consortium of the H2020 project “PLOTINA. Promoting gender balance and inclusion in research, innovation and training”.

The conference will be hosted by the University of Bologna on the 27th -28th of January 2020. The purpose of the conference is to present the project outcomes and to discuss with academics, key-actors from Research Performing Organizations and invited speakers about gender equality. To this end, the PLOTINA Consortium has launched a call for contributions (poster and abstracts, <https://www.plotina.eu/final-conference-call-for-papers/>) to share experiences, case-studies and best practices in the following domains:

1. **Structural and cultural change: Gender Equality Plans and efforts**
2. **The inclusion of the sex/gender variables in research**, articulated in the following parallel sub-sessions
 - 2.1 Mainstreaming diversities in agro-food research
 - 2.2 Gender in social sciences and humanities
 - 2.3 Economics, business and finance
 - 2.4 Gender and psychology: how to do it right?
 - 2.5 Design and engineering
 - 2.6 Gender-inclusive material sciences and engineering
 - 2.7 Gender and (mental) health
3. **The inclusion of the sex/gender variables and of gender equality issues in teaching curricula**
4. **Measuring gender equality in organisations: indicators and monitoring tools**

To submit a proposal, please use the template for poster or abstract and the submission form available on the call webpage(<https://www.plotina.eu/final-conference-call-for-papers/>).

Contributions will be accepted until the 8th of December 2019.

The conference will be in English and it will be hosted by the University of Bologna (Department of Agricultural and Food Sciences, viale Fanin 44-46, Bologna, Italy).

The participation is free, but registration is required – please register online by visiting the website: <https://www.plotina.eu/plotina-final-conference/>
