Lift the savior up

He's worthy

Lift the savior up

He's worthy to be praised

Lift the savior up

He's worthy

Jesus is worthy to be praised

From the rising of the sun

He's worthy to be praised

'til the going down of the same

He's worthy to be praised

Hallelujah

Hallelujah

Let's exalt the name of the Lord

Hallelujah

Hallelujah

Jesus is worthy to be praised

Worthy of all the honour

Worthy of all the glory

Worthy of all the praise

He's worthy
