Regardless of Our Ethnicity We're All Human. Dag Hammarskjöld served as the second Secretary-General of the United Nations and US president John F. Kennedy called Hammarskjöld "the greatest statesman of our century".

The father of Nazi Racial Biology -Swedish nazi archives still alive!

The Second World War involved more than 100 million people from over 30 countries and over 60 million people were killed. Swedish professor physician Herman Lundborg was the father of Nazi Racial Biology and celebrated Adolf Hitler. Mr. Lundberg and German physician Nazi friends became influential experts in the Nazi era, and Mr. Lundborg Racial Biology was implemented by SS.

Who Am I ?

I am one of Sweden most prominent and successful whistleblower for science and leading patient safety expert with Sami heritage. Swedish science, physician elite and our politicians have deliberately "whitewash" the dark history of Racial Biology in Uppsala and Stockholm. Karolinska Institutet select Nobel laureates in Physiology or Medicine every year. Herman Lundborg graduated in medicine at the Karolinska Institutet in Stockholm and began gathering statistics and photographs to measure the racial make-up of 100,000 Swedes.

1922 physician and professor Herman Lundborg was appointed head of the Swedish state Institute for Racial Biology in Uppsala. It was the world's first state institute for racial biology following a parliamentary decision. The Nazi "Dekanhuset -Dekanhouse" still stand in city of Uppsala.

Swedish diplomacy a history of Human rights.

Raoul Wallenberg was the Swedish diplomat well-known for humanitarian work in Hungary at the end of the Second World War. The Raoul Wallenberg Institute of Human Rights and Humanitarian Law is today located in Lund. Swedish Government and the Hungarian Parliament, the Council of Europe also created a Raoul Wallenberg Prize. In Germany second world war and Holocaust is open and transparent. Today it, s time to highlight prominent representatives of Swedish science and parliament politician to open up and demand Transparency Sweden Nazi heritage.
