SRRS National Specialty Show, Västerås, judge Jan Coppens.

With memories from last years BIS win at this show, we headed back to the showground at Lövudden.

This year we only had high hopes for Akeron and Nike. Navy, being a tall & proud boy, where not among the favourites J So I was very surprised when he made the cut in a large and very good champion class! But after that it was stop.

Akeron was very alert and won the veteran class but did not manage a Best Dog placement. SUCH NUCh LPI S VCh Emoyeni's Grand Zuberi won! Huge congrats to Tina Gavling and breeders Peter & Susan!

Saturday evening was spent by the sea with good food, music and laughs! We are already looking forward to next year ;)

Sunday came with rain and wind! Nike and I entered the ring first and won the junior class! I was very happy with how our sweet girl behaved and we where honoured with champion quality. Thea, Emoyeni's Pumpkin Of Navy, where entered in youngster class and recived nice critique and a first price but no placement in a large class. Proud handler/owner Linnea did a good job! We are looking forward to see you again! In champion class, I showed beautiful ch. Rex Ventors Farenya, aka Enya. She runs like a goddess and won the champion class.

Time for Best Bitch..... Nike did not make the cut....Eny came in second and "Toya", aka Ridgebow's La-Toya Of Chango took first place and moments later BISS-07! Huge congratulations to owner Helena & Marcus and offcourse Sven & Bitte at Kennel Ridgebow!

This great weekend where topped of by Akeron winning BIS Veteran!

2007-07-23

Akeron is currently on 25th place at the "Dog of the year" list, all breeds and 3rd on SRRS "Guldhundslista" ! Not bad for a 9 ½ year old boy!

A day for just me and my special boy...Akeron!

I had entered just Akeron to this all breed show in Västerås with judge Brenda Jones.

It turned out to be a pretty good day for us. Lovely weather, great people and Akeron BOB Veteran and 3:rd best dog (?) We stayed for the finals and WON BEST IN SHOW VETERAN! This means a new invitation to Veterans of Veterans in 2008 J

2007-07-07 & 08

Another lovely weekend with handling workshop! This time in Billeberga and Kennel Ridgebow! The weather god's where not there for us.... It rained the first day and stormed the second, but all dogs and their owners where troopers and tried their best. Thank you for everything and we will meet again!!!

Den 5 juli klarade Xavi (Emoyeni's Peacekeeper of Navy) och husse Niclas anlagsprovet för viltspårdomare Inger Skoglund. Största grattiset eftersom vi vet att ni tränat helt själva,,,

2007-06-30 and 2007-07-01

We headed of to the lovely island Gotland and a two day show! In the car where all three dogs, Simon, Robert and I so it was a full house! We had good help from RR owner no1 on Gotland, Bengt Harrsjö, who helped us out with finding a place to stay!

Saturday with judge Mr Christian Jouanchiot and poring rain..... turned out to be a great day! Navy ran as always well and ended up as 2:nd best dog! Akeron BOB Veteran and 4:th best dog!

Now it was time for Nike who did not seem to be bothered by the weather. She won junior class with champion quality. Time for best bitch competition..... I was very nervous when the judge picked us out and finally placed us second after Multich. Rex Ventors Helinn whom later on won BOB, BIG and BIS R! The second place meant that Nike won her first CAC!

Sunday came with sun and good hopes of another nice day.

Judge this day where Per-Erik Wallin. Navy again.....second best dog and Akeron third!

Nike followed a track around the ring so that the judge commented that it is a hunting breed but it would be nice if she could lift her head up J

2007-06-24

Handling workshop weekend in Onsala at Kennel Inanda Mellberg.

Earlier in 2007 Marie Wijkander, Kennel Inanda Mellberg invited me to hold a weekend with handling classes. After some thoughts, anxiety and planning I accepted.

Two days with both sun and rain, lovely participants, laughs and new friends! I hope that everyone left Onsala with high spirits, new knowledge, a big smile and some "Baywatch" posture!

I will meet you again and be back next spring!

AKERONs Rehab & Friskvård, my own company is founded!

During the past two years I, Maria, have been going to school (www.hundkuranten.se) a couple of days every month. The education has given me lots of new knowledge about dogs in general, but mostly regarding health, exercise and rehab. For me it was a natural step to

take since I am a physiotherapist for humans and many things are applicable on dogs.

I can offer classes in stretch, massage, rehabilitation, handling, how to get your dog in shape, the old dog etc. etc.

International All Breed Show and Finnish RR Specialty Show, Helsinki, judge Paolo Dondina.

We sat off to Helsinki on Friday.....Me, Caroline (Mrs. African Braveheart), Akeron, Navy & Nike. Arrived in grand style and hade a nice day in the beautiful city of Helsinki on Saturday. Sunday had a early start in order to make it on time to the showground.

Navy behaved very nicely but was only placed as third in championclass. Akeron won the veteranclass and BOB Veteran. In the competition for Best Dog, Caroline stepped in and showed Akeron since I continued with Navy. Akeron placed Best Dog 2! Afterwords Caroline commented that Akeron is the first dog she have meet that scratches the floor with his paw in order to be able to enter the ring.....

Than Nike had her moment in the sun! During the individual judgements of the juniorclass Caroline had to dry my forehead a couple of times since the "Ice hall/arena" was very warm!!

Nike ran and was finally placed as third in the class.

All in all a very nice weekend!
