

The National Show at Mila in Malmö

By Miranda Lysell (ni Harding)

During 2011 we have had two National Shows in Sweden. The first being Mila in the very far south. 14 Herefords were shown in 7 classes. This is the usual number of entries for Mila as we don't have that many Hereford breeders that far south – two of the breeders that entered had about a 6 hour journey to the show and in winter weather – the show was at the beginning of March.

The judge this year was well known Jens Michael Jensen from Denmark. Cattle from the Bårarp herd took double Grand Champion titles. Year old heifer, 7252 Bårarps Genna was named Supreme Champion Hereford, and yearling bull, Bårarps Kasablanka was named Grand Champion Bull. 7252 Bårarps Genna is from the same dam as Bårarps Johnny and by Star Tohon. Bårarps Kasablanka is by Munka Cardinal ET (a son of Beyond) and dam, 67 Beauty av Tahe is by Harvie Jackpot. Kasablanka was sold later on in the day to Mr Olle Larsson of the Oden herd.
