LETTER OF APPRECIATION

To: **Esperssons Åkeri AB**

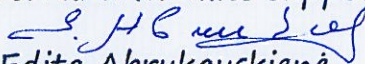

The bitterness the children feel having to spend the magical Christmas time in a hospital ward is almost impossible to put into words.

Fortunately, the Christmas Elves from Sweden manage to warm their little hearts and make them smile widely, surprisingly delivering lots of wonderful Christmas gifts...

By presenting this letter, we wish to express our most sincere thanks for your kindness, and for providing joy to severely ill children by giving them something they so eagerly look forward to every year – the Christmas miracle.

We believe that your most special gifts will help the little ones to get well.

Respectfully,
on behalf of the children and families supported by the Fund –
