

ZIP.

Trade-in

With the introduction of the ZipStop Speed we offer you a Trade-in for your old device when buying a new one.

The zipSTOP SPEED has been added to our zipSTOP Brake family to enable arrival speeds up to 72km/h (45 mph).

We now give you the great opportunity to upgrade to one of the Zipstop speed modes to a lower price, this new device Simplify installation, Decrease necessary hardware, Decrease inspection, Less chance of redirection line tangling, Improve retraction performance.

Place your order today!

New Product	Trade-in product	Trade-in price	Ordinary price
Zipstop Speed	Any ZipStop or ZipStop IR	3 500€	4 995€

Take the following steps to take advantage of the Trade-in

1. Place your order today. You will be invoiced 500€ as prepayment of the order.
2. When we get Speed in stock we will Invoice the last amount.
3. You send us the old device and we send out the new ZipStop.
4. Order before 31 December and we include the shipping fee in the price.

Best Regards
