The XVII International Sauna Congress June 7-10, 2018 – Midnight sun and sauna

Dear Sauna friends

The Swedish Sauna Academy are grateful and pleased to inform that almost **30 abstracts** have been submitted to the congress. The scientific committees within health, history and technique will now read and score the abstracts. Selected abstracts will be presented either as oral or poster presentations or during workshops. More information on the program will be given at the webpage.

Registration for the sauna congress will be open between **march 25 (new date) – to may 15th**, however, preregistration is already open, and is recommended at info@bastuakademien.se, all preregistered attendees will be contacted in late march for a final registration and information on payment.

The registration fee of **250 Euro** includes admission to all seminars, workshops and the exhibition, welcome reception, coffee and lunch on Friday and Saturday, sauna barbecue evening, farewell dinner, mobile sauna meeting, unlimited sauna bathing in Kukkolaforseen and all transportation between Kukkolaforseen, Haparanda and Torneå

For hotel booking it is important for each participant/group to contact the hotel directly, not via booking websites, since the hotels, such as Haparanda Stadshotell have been prebooked by the Swedish Sauna Academy for the congress.

We also appreciate if you bring a mobile sauna for the "ISA congress mobile sauna festival", this festival will be held in connection with the congress at Kukkolaforseen, June 7-10th.

Just a gentle reminder to send information on The XVII International Sauna Congress to all your sauna friends!

The webpages <http://www.bastuakademien.se/> and <https://saunainternational.net/> will continuously be updated with information.
