The XVII International Sauna Congress June 7-10, 2018 – Midnight Sun and Sauna

Dear Sauna friends

The Swedish Sauna Academy is grateful and pleased to announce that in total almost **40 abstracts** were submitted to the congress. The scientific committees for health/sciences, history/culture and technology/architecture will soon present the speakers at the oral sessions on the website. The selected papers for the workshops and poster presentations will be presented in late March.

Registration for the sauna congress will open, on **March 26** and close on **May 15**, however, preregistration is already open, and is recommended via info@bastuakademien.se. All preregistered attendees will be contacted for final registration and information about payment.

The registration fee of **250 Euro** includes admission to all seminars, workshops and the exhibition, welcome reception, coffee and lunch on Friday and Saturday, sauna barbeque evening, farewell dinner, mobile sauna meeting, unlimited sauna bathing in Kukkolaforseen and all transportation between Kukkolaforseen, Haparanda and Tornio

Concerning hotel booking it is important for each participant to contact the hotel directly, not via booking sites, since the hotels, such as Haparanda Stadshotell have already been prebooked for the congress by the Swedish Sauna Academy.

On Friday June 8 the Swedish Sauna Academy will celebrate its 30th anniversary and on the Saturday the International Sauna Association (ISA) will celebrate its 60th anniversary.

We also appreciate if you bring a mobile sauna for the "ISA congress mobile sauna festival". This festival will be held in connection with the congress at Kukkolaforseen. More information is given on <http://www.bastuakademien.se/nationalbastudag/mobile-sauna-meet-38396422>
