"What does the whisk leaf tell you?"

A TV program about baths "Vantos Lapas" ("A Whisk Leaf") has already been travelling around Lithuania for the 4th season. It has been observing, filming, interviewing bathhouse attendants and preservers of old traditions, as well as, ordinary Lithuanians who enjoy bath . The unique material about ancient and contemporary traditions, customs, habits and methods is used in this movie.

The movie "What does the whisk leaf tell you?" is a short trip to the Lithuanian bath. How did it look like earlier and what is it nowadays? Why do we need a bathhouse attendant in the Lithuanian bath? What kind of whisks are used? How are they used? What is whisking? What do males and females like in the bath? Together with us you will visit a few baths where the best masters of Lithuanian bath will share their secrets.
