**Torö kajak- Sea kayaking in Stockholm archipelago.**

**One day in the archipelago**

*One day 10 AM to 4 PM*

If you have never tried sea kayaking before or if you are making a short stop in Nynäshamn or the surrounding area and just want to get out in the archipelago for a one day trip this is perfect for you. We will start at Ankarudden, Torö and kayak to the island of Öja/Landsort. On Öja/Landsort we will have a typical Swedish lunch and also some time to explore the island with its famous lighthouse and closed military facility before we head back to Ankarudden, Torö.

**Start:** At our facility on Torö

**Accommodation:** No accommodation

**Food:** Lunch is included.

**Inclusive:** Kayak and equipment, lunch and guide

**Not inclusive:** Clothes, personal items, alcoholic drinks, soft drinks, ice cream etc.

**Short summary of the trip:**

**Option one:**

We meet at 10 AM to have a safety review and to adjust the equipment. We start going south towards Öja/Landsort tough all the narrow channels passing small and secluded island along the way. At 12.30 we will arrive Öjo/Landsort and have lunch at a local restaurant. After the lunch we will have some time to explore the island before we return back to Ankarudden/Torö.

**Option two:**

This option is if you have never tried sea kayaking before. We meet at 10 AM and start the day by going through the basics of sea kayaking, including technique, safety and the knowledge of the equipment. When we feel confident we will launch the kayaks in the water and feel the enjoyment of kayaking. During the day we will try different techniques and we will adjust the trip to your level. We will stop for lunch and after lunch we will keep on going in the kayaks, and if you like to we can make some rescue training, or we can just kayak for a while in the beautiful archipelago.
Crossing the southern archipelago of Stockholm

Six days/five night

This is a tour for those looking for a longer kayak trip and want to have the time to explore the archipelago and combine this with outdoor life. We will make great use of the access rights to the nature (allemansrätten) when we stay in tents and cook our food in the nature along the way.

In this six days and five nights tour we will explore the southern part of Stockholm archipelago. We will start at Torö in the most southern part of the archipelago and go north and experience how the archipelago changes as we get closer to Stockholm. The tour ends in the central part of Stockholm. We will stay four nights in tents in different locations as we move north and one night we will stay in a hotel to add some luxury along the way. We will cook almost all food by our self along the way, but we will also try some of the local restaurants that we passes by along the way.

On this trip we will kayak between 15-20 km each day and we recommend that you have some experience from sea kayaking before you book this tour
