

Welcome to the Symposium of the Swedish Artist Blacksmiths Association

1-3 November 2019 at HDK Steneby

The first weekend in November is dedicated for forging at HDK Steneby in Dals Långed. Get inspired by lectures and workshops, within the span from architecture to historic technique. Organized breakfasts, lunches, a dinner and a pub will ensure a social and friendly atmosphere, for great encounters and talks.

Program

Friday 1.11.2019

The gathering starts 18.00 with a welcome and a walk around in the metal art workshop. A student exhibition will show current project work and a short film of the project "7 Kg Iron" will be shown. We will offer small snacks during the evening.
