

Welcome to Umeå Wrestling Battle 2019

Important information to all clubs and team leaders

It is important that all teams read this letter. It will only take three minutes, but it will answer a lot of questions and help to avoid trouble and prevent delays.

1. Please return weigh-in cards to the secretariat in case you have registered wrestlers who will not participate. Make a big cross over the weigh-in card before returning it.
2. Check that the information printed on the weigh-in card is correct and if not, let us know.
3. Check the TR database at 21:50 on Friday evening:

https://www.liga-db.de/Turniere/VT/2019/SE/191019_Umea/indexSWE.htm

Make sure your wrestlers are registered in the right weight class and category. Please confirm that everything is in order by sending an e-mail or SMS with ok and the name of the club to umebrottning@gmail.com or to +46-702130728. Ultimately, wrestlers that have been accidentally placed in the wrong category or weight might end up without matches if you don't bring this to our attention.

4. All GR 9, WW 9, GR 11 and WW 11 classes will be wrestled as "round-robin" (each wrestler meets every other wrestler in the weight class). Also, in WW 9 and GR 9 and WW 11 and GR 11 each par-terre technique is allowed only once in a row.
5. In all other categories there will be matches for 5-6 place. This means wrestlers who have lost two matches might still have more matches!
