

Norrländska Elitbrottningarna, accommodation at Hagaskolan

During Norrländska Elitbrottningarna, February 10 to 12, you are offered accommodation at Hagaskolan in Umeå. The school maintains a high standard, with good ventilation, heating and fire safety. The distance from the school to Umeå Energi Arena is 1 km and the route will be marked with yellow and blue tape. The walk from Hagaskolan to the arena will be a refreshing and strengthening activity!

Our school hosts are available at the school, according to the times below, to help you with what you might need while you are our guests. We will do our very best to make your time at Hagaskolan as pleasant as possible for your team.

You are required to bring your own sleeping equipment such as mattresses, sleeping bags, pillows etcetera.

Upon arrival you will be informed by the school hosts which classroom your team will be staying in during the weekend. One team leader will collect the electronic key upon arrival at the school. Prior to departure the key is to be returned to the host and the classroom to be restored to what it looked like when you arrived.
