

Program SSI2017

15-20% basic immunology = 2 sessions of 10

35-40% tumor immunology/immunotherapy = 4 sessions

35-40% autoimmunity = 4 sessions

Tuesday 17th of October

9:00 – 17:00 Summerschool: All arrangement

18:00 – 21:00 Welcome reception Stadshuset

Keynote speaker 1:

Wednesday 18th October

8:30 **Session 1** *Basic Immunology*

25 min Keynote 2 *Stroma interactions/ Intercellular Communications*

25 min Keynote 3 *Innate immunity*

15 min oral presentation

15 min oral presentation

15 min oral presentation

10:15-10:45 Coffee break

10:45 **Session 2** *Basic Immunology*

25 min Keynote 4 *Mucosal immunity/Intestinal inflammation*

25 min Keynote 5 *Microbiota*

15 min oral presentation

15 min oral presentation

15 min oral presentation

12:30 Lunch

14:00 **Session 3** *Basic Immunology*

25 min Keynote 6 *DC/Treg*

15 min oral presentation

15 min oral presentation

15:00 Coffee break

15:30 **Session 4** *Basic Immunology*

25 min Keynote 7 B cell/humoral

15 min oral presentation

15 min oral presentation

16:30 – 18:00 **Poster presentation**

Dinner cruise for invited speakers/chairs or all who wants?

Thursday 19th October

8:30 **Session 5** *Tumor Immunology*

25 min Keynote 8 Cellular immunity against cancer?

25 min Keynote 9 Check point blockade and combinational therapies

15 min oral presentation

15 min oral presentation

15 min oral presentation

10:15-10:45 Coffee break

10:45 **Session 6** *Tumor Immunology*

25 min Keynote 10 ?

25 min Keynote 11 ?

15 min oral presentation

15 min oral presentation

15 min oral presentation

12:30 Lunch

14:00 **Session 7** *Autoimmunity*

25 min Keynote 12 Risk factors of the immune system/biomarkers

15 min oral presentation

15 min oral presentation

15:00 Coffee break

15:30 **Session 8** *Autimmunity*

25 min Keynote 13 Lymphocyte activation

15 min oral presentation

15 min oral presentation

16:30 – 18:00 **Poster presentation**

19:00 Conference Dinner at Clarion Sign

Friday 20th Oct

8:30 **Session 9** *Immunotherapy*

25 min Keynote 14 [B-cell depletion in autoimmune disease](#)

25 min Keynote 15 [What immunotherapies can teach us about autoimmunity?](#)

15 min oral presentation

15 min oral presentation

15 min oral presentation

10:15-10:45 Coffee break

10:45 **Session 10** *Immunotherapy*

25 min Keynote 16 [Severe adverse events following immunotherapies \(e.g. IRIS\)?](#)

25 min Keynote 17 [Potential new target for immune interventions](#)

15 min oral presentation

15 min oral presentation

15 min oral presentation

12:30 Lunch?

Deadline for suggestion of speakers 15th Aug 2016
