

## IZAKAYA WHITE

The Fernao Pires grape gives the IZAKAYA WHITE a pale citrus colour. The wine is combining notes of citrus and tropical fruits to a fresh and clean aroma. It is elegant and vibrantly refreshing, subtle sparkling, with a light acidity, and a clean, dry finish.

IZAKAYA WHITE is truly a versatile wine, it pairs very well with most Asian foods like light sushi, nigiri and maki, shellfish, grilled seafood and tempura. It is considered to be one of the very best wines to drink with the Asian cuisine.
