# OPEN CALL 2019

---

This is an "open call" for participation in a Landartproject with artwork made on site.

Landet Mitt Emellan (2017/2018) is a sculpture trail -about 150 km- in the Swedish landscapes of Bohuslän and Dalsland. Following a scenic route from Munkedal via Färgelanda to Dals-Ed, then back to Munkedal again. The slightly sloping landscape is rural with a mixture of forest and small scale agriculture. Several rivers and man-made canals run between the small hills. This project will continue in 2019 and we're looking for participants.

Each of the 6-8 selected artists will receive 25.000 SEK honorarium plus 10.000 SEK for materials/production (exclusive VAT).
