PERSONAL PROFILE / ATTRIBUTES

Ms. Nanziri Immaculate is an employee of Uganda Youth Development Link (UYDEL) since 2014. She is a senior social worker involved in Alcohol, Drug and Substance abuse prevention interventions in Kampala, Wakiso, Mukono, Mityana, Mubende, Sembabule, Bukomansimbi, Gomba and Rakai districts.

She is involved in prevention activities targeting out of school young people living the slums; working with local leaders, schools, Parents and other stakeholders in prevention activities.

She has also been involved in networking activities, information and knowledge sharing among the drug abuse civil society organizations in Uganda but also internationally.

She is a dedicated, self-motivated, result oriented quick learner who is committed to success and adept at juggling multiple tasks in a high pressured environment. She has skills in leadership, team work and guidance and Counseling.

My experience in social work practice and monitoring and evaluation has exposed me to the finer details of projects management, monitoring and evaluation, social work administration, social work interventions, advocacy and human rights protection.

Added advantage of working with slum youth in drug prevention has given me skills on how to effectively support young people through rehabilitation process.

EXPERIENCE AS A SOCIALWORKER WITH SLUM YOUTHS

- Resource and Activity monitoring to ensure effective implementation of interventions
- Reporting and documentation of best practices and lessons learnt.
- Process and Result Based monitoring and evaluation of prevention interventions in implementation

- Capacity building of staff to enhance their abilities through conducting trainings to enhance effective prevention activities
- Data collection, entry, Analysis and report writing
- Ensuring Continuous Quality Improvement and establishing Quality improvement committees
- Community mobilization and engagement to participate in drug prevention
- Provision of psycho social support to young people to provide rehabilitation.
