Welcome to När in the south-east of Gotland, far away from the stress of the big city, chasing of training hours and lack of football fields.

TRAINING

At our football facilities in När you will have access to 2 very fine football grounds, newly renovated changing rooms, service building, exercising tracks and a tennis court. We may be of help in arranging training matches with local teams.

ACCOMMODATION AND FOOD

Gangvidefarm is a farm alongside the river of Näsån, approximately 1 km outside of När that offers lodging, food service and activities. You will be accommodated in newly built 8-bed cottages, each with a small terrace. We can offer up to 70 beds. Breakfast or full board can be booked and is served at the café at the pier next to the river. Within 2 km there are several nice beaches, 18-hole golf course, supermarket ICA, theater stage "Näsakar", walking trail "Linnaeus Path" and the sports ground with tennis court.

ACTIVITIES

The farm has canoes and smaller boats, opportunity for fishing, swimming, tractor tours, table-tennis, pool table, dart - or just relax and spend some time with the animals at the farm. It also goes to show movies in our cinema. A vinyl record bar for the more grown-ups with more than a 1000 old vinyl records, lots of nostalgia where the team leaders can gather strength and plan tactics.
