Fishing rules

All pikes and trouts must be released, all year around. No kill!

During 1 March to 31 May all perches must be released. Other times of year the daily bag limit is 3 perches per fishing license and day. Any perch exceeding 40cm must be released.

The fishing license only allows fishing with rod and only one rod at the time can be utilized.

If you have to weigh or measure a fish, be careful and use a weigh sling or a wet plastic bag. Make sure the fish is not exposed to any kind of harm.

Respect the prohibition signs and private roads. Off-road driving is not allowed.

Private property must not be treated.

Treat animals and nature with respect. Pick up your trash and bring all your used fishing gear back home - leave your spot clean!

Have nice fishing trip!
