

About the training

Would you like to be able to teach Confident Birth childbirth classes, or use the method in your work? Then this popular course is for you. Confident Birth now offers the training course at a reduced price as a step towards spreading this established Swedish method to the rest of the world.

Included in our course:

- Theoretical knowledge of the Confident Birth method.
- Course compendium.
- Our online Childbirth class to see the class and study from.
- Training on how to teach our highly effective exercises.
- Practical application of the essential exercises and tools of our celebrated method

Syllabus:

Module 1: Home study.

- Reading literature. Submission of reflections.
Reading the Instructor Compendium. Submission of included study
- Completion of course compendium. Learn Compendium by heart.

Module 2: Practical training over four days in Provance. You will receive tailor made guidance on how to most effectively lead and teach the praised Confident Birth method. Meet Susanna and the others.

Module 3: Teach the whole class to at least 2 pregnant couples or groups. Do a evaluation.

The training will take place: Maison Garney in the Provence and the Village Rians

Dates: 2-5 October 2018.

Price: Offer! 500 euros including accommodation in as shared double room. 100 euros extra to have your own room. Normal price 1000 Euros.

Where: France Provance
Victoria & Mikael Garney
2, Traverse Centrale
