

Dear Student,

We hope you and your family are doing well and staying safe.

This is to inform you that we are all set to open pre-registrations for 'RIMYI Online classes September-November 2021'. **The pre-registration link will open on August 2nd, Monday.**

Please be informed, **the last date to register is 11th August, Wednesday.** Also, the seats available are limited and on a first come first serve basis.

We do understand that these classes which are held in the Indian Time Zone (**IST**) will not be feasible for all of you to attend live. In such cases, to help you out, the recordings of the classes will be made available for up to two weeks.

To apply, students will have to go through a 'pre-registration' process. This process includes a 'pre-registration form' with an option to upload a letter of validation from a recognised Iyengar yoga teacher mentioning that you qualify for these classes.

Any students who booked their slots at RIMYI by paying an advance deposit for the year 2020 and later have the opportunity to attribute it to these online yoga classes. You can upload the receipt of the advance payment under the option provided in the form. Once you submit the form, our team will review all the details shared by you. If approved, you will receive an email with confirmation and payment details.

Note that students will have to register for classes of their choice for a period of three months, from September to November.

For any questions or concerns, please write to us at support@rimyi.zendesk.com.

We look forward to seeing you online.

**Regards,
RIMYI, Pune**
