Virtual training on laparoscopic cholecystectomy “Fundus First”

The faculty members at Sundsvall Hospital welcome you to a live virtual training focused on the Fundus First technique with Harmonic. The aim is to give a good understanding of the cholecystectomy procedure, discuss all related benefits and how the procedure can be performed in day surgery. The program will cover background of Science of Energy and the Fundus First technique, observation of two live surgeries, surgical tips & tricks, and scientific evidence.

Program 09:00-12:00
