## Better Business international – BBi, Key Relocation and ID Entity invites you to the network **Working as a foreign manager in Sweden**

Welcome to the executive network for foreign managers in Sweden starting in September 2012. You will be invited to five network meetings on various topics of interest to you as a foreign manager. It will give you a great opportunity to meet other foreign executives, share experiences and network with BBi, Key Relocation and ID Entity.

### First network meeting – Swedish labor law

Swedish labor law is complex and extensive. If you do not have knowledge of the Swedish model it can result in unnecessary misunderstandings and discussions with both employees and trade unions.

Welcome to our first network meeting where we will give you useful information and discuss the Swedish labor law.

**Wednesday, September 26th, 17.30-20.30,  
ID Entity, Tegnérsgatan 35, 2nd floor, Stockholm.**

We look forward to meeting you!
