

BURGERS

Our burgers are handmade by eco friendly, hanged and tenderized minced beef from Swedish farms. A single burger is 170 grams and served with our own home baked bread and lettuce. You can compliment your order with sides and sauces.

All of our burgers are served medium/well. Please let your waiter/waitress know if you prefer your burger served well done.

Våra hamburgare kommer från Svenska gårdar och är gjord på välhängd högrev och väger 160 gram. Till alla hamburgare serverar vi vårt egna hamburgerbröd och sallad. Komplettera gärna Era hamburgare med sidorders och någon av våra goda såser.

Vi serverar hamburgarna medium/väl eller välstekt.
